YDS TEXTILE & OUTERWEAR FACTORY 1

We are the largest supplier of Military, Law Enforcement clothing, apparel, gloves, equipment and supplies. Our products are made to Nato Standards from the finest quality fabric and materials. We believe that military clothing which is more than just wearing apparel is a functional unit of equipment used in the field. For this reason military apparel is designed for and tested to limits beyond the levels normally accepted. Field garments and equipments designed to provide a high level of wear comfort and durability. They are made in accordance with the military specifications and NATO standards.
